

Documentation of allergens

Dear guests

the topic allergens has become more and more important because of the german "establishment for food information" (abb. in German LMIV) as well as the increasing number of involved people. Please, state us your incompatibilities so we are responsive to your requirements:

<input type="radio"/> Wheat and products out of it	<input type="radio"/> Hazelnuts and products out of it
<input type="radio"/> Rye and products out of it	<input type="radio"/> Walnuts and products out of it
<input type="radio"/> Barley and products out of it	<input type="radio"/> Cashew nuts and products out of it
<input type="radio"/> Oats and products out of it	<input type="radio"/> Pecan nuts and products out of it
<input type="radio"/> Spelt and products out of it	<input type="radio"/> Brazil nuts and products out of it
<input type="radio"/> Gruenkern and products out of it	<input type="radio"/> Pistachios and products out of it
<input type="radio"/> Shellfishes and products out of it	<input type="radio"/> Macadamia nuts and products out of it
<input type="radio"/> Eggs and products out of it	<input type="radio"/> Celery and products out of it
